

Medication Process for Believe 2020

Please register your child's medication **PRIOR** to check-in. To register your student's medication, you will need to login to your [SECC account](#), go to my events, select the camp/child and log their meds. Detailed steps to complete this process are listed below.

Steps

- 1) Go to [secc.org](#) and click on the person on the home page or select the drop-down menu and click on log-in to my account.

- 2) Click on my account and log-in with your SECC account. Click on “my events” after you log-in.

- 3) Click on update medication information

Medication Information

If you need to provide medication information (over the counter, prescriptions, and life saving devices) for your student or an attendee of an overnight event you can do so by clicking the following "Update Medication Information" button:

[Update Medication Information](#)

Medications	
No Medication Information	Update Medications

- 4) Click on your child and click on update medications. If you have medicine you have already entered for your child, you can just edit if needed.

- 5) Click “Next” on the medication information form.

- 6) Click on the + to add the medications you need for your child. If you have multiple to enter, please enter ALL.

- 7) After you enter the information, make sure to click “SAVE” before proceeding forward. After it is saved, click Next.

- 8) You will be prompted to sign a form giving us permission to give your child medicine. Click “Next”. It might take a few seconds to a minute to populate, so please be patient.

- 9) Read the form, sign it and date it. Click the green “DONE” at the top right corner.

- 10) You are finished! You can either log-out or if you have another child to fill out medicine

for, click on “update another”.

11) Please make sure all information is correct and updated prior to check-in at your campus.
